Giselle let us know that when we make a transfer from Boise, we lose money. The board talked it over and suggested that we open a new account at Cache Valley Bank and transfer all the expansion money from Boise into a Cache Valley Bank account so we don't lose more money. We need all the funds we have for the expansion. The board thinks that we won't need to use the Altabank account anymore. So Giselle will close the Altabank account. Max moved that we pull all of the funds from Boise and open a new account at Cache Valley Bank for the expansion funds. Richard seconded the motion, all approved. Giselle and Shannon will both be on the new account.
